

## Capital Ice Synchronized Skating – Raffle Ticket Fundraiser

### How much do I have to raise?

Each skater is required to sell a specified amount to support their team needs, amount varies based on the team. Skaters must reach their goal of total dollar amount or pay the difference. Skaters are welcome to sell more tickets if desired and can get more tickets if needed. Parents may choose to buy out of this fundraiser if they wish.

### What is a corporate sponsor?

If a business is already sponsoring a skater, then they are unavailable and you may not contact them.**

### How do I record my ticket sales?

Hard copies will be available per request. Print your completed record sheets. Please type or print the sold ticket number in order and list the name of the ticket holder on your form. Please turn in all money, ticket stubs, and completed recording sheets on your scheduled time of turn in.
