WHY ARE WE HOLDING A RAFFLE?

The money raised helps cover costs for competition fees, costumes, travel expenses, and administrative fees to competitions for the 2022-2023 season. Teams will travel for competitions in Ann Arbor, MI; Chicago, IL; Rockford, IL; and if teams qualify, (a location to be determined) for the U.S. Synchronized Skating Championships.

Who is Capital Ice Synchro?

Formed in 2003, Capital Ice Synchro is Bismarck Figure Skating Club's synchronized skating program. "Synchro" skating is a team sport in which 8-20 skaters perform a program together. It uses the same judging system as singles, pairs, and dance, and is characterized by teamwork, speed, intricate formations and challenging step sequences.

Capital Ice Synchro has a rich history of national-level teams. The Capital Ice Chips have competed at the U.S. Synchronized Skating Championships for the past 11 years; and the Capital Ice Connection have competed at the Championships four times. This is all possible with the generous donations and support from our corporate sponsors.

Bismarck Figure Skating Club/Capital Ice Synchro is a not-for-profit 501(c)(3) organization and greatly depends on fundraising to keep costs affordable for skaters.
