

2024 - 2025 SPONSORSHIP OPPORTUNITIES

ABOUT CAPITAL ICE SYNCHRO

Capital Ice Synchro is the premiere synchronized skating program in North Dakota. Formed in 2003, our nonprofit organization provides opportunities for skaters from age 4 to 18 to participate in the world's fastest growing figure skating discipline. Our club has over 140 skaters competing on nine teams with a season running September through March.

In 2023, our intermediate team, the Capital Ice Chips, took first place at nationals.

WHY SPONSOR?

Without community support our club couldn't be as successful as it is. As a 501(c)3, the Bismarck Figure Skating Club/Capital Ice Synchro relies on sponsorships and fundraising to make our program affordable and open to all skaters. The funds offset the costs for dresses, competitions, coaching, and travel. Higher level teams will travel to competitions such as Midwest Sectionals in Kalamazoo, MI; and Nationals, if they qualify.

As a sponsor you do more than support local skaters. Our sponsors also benefit from reaching thousands in the Bismarck-Mandan area and beyond through our social media posts, advertising options, events, and many other opportunities that can be customized to fit your goals and budget.

WHO AM I SPONSORING?

These 140+ dedicated skaters are grateful for each and every sponsor.
